DISTRICT ROAD FUND.

NOTIFICATION No. 307

The 6th August 1889.

The subjoined annual accounts and report of the Road Cess Committee of the District of the Sonthal Pergunnahs for the year 1888-89, together with the remarks thereon of the Commissioner of the Bhagulpore Division, are published for general information.

W. CONNAN,

Offg. Under-Secy. to the Govt. of Bengal, P. W. Dept.

No. 23P.W., dated Dumkah, the 6th May 1889:

From—R. H. RENNY, Esq., Offg. Deputy Commissioner of the Sonthal Pergunnahs,
To—The Inspector of Local Works, Bhagulpore Division.

REFERRING to your No. 551, dated 23rd April last, I have the honour to submit a brief report on the working of District Road works in Southalia for the year ending 31st March last.

2. The Road Cess Act is not in force in the Sonthal Pergunnahs district. We have no District Board. Its powers, however, in regard to road works are exercised by me.

3. *Original Works.*—(a) The timber bridge over Luckhicoory stream, second mile, road No. 2 (Dumkah and Rampore Hât), was dismantled, and this was replaced by a masonry bridge of 4 spans of 13 feet 6 inches each, with arches of rubble masonry. The bridge was begun and finished during the year.

(b) The bungalow at Katikund for the Forest Officer was begun during the year: it may be said to be nearly completed. Only a few minor works remain to be done to it during the current year.

(c) We did not do any original work under this head.

4. *Embanked roads, metalled roads, roads bridged.*—Nothing was done during the year under this head.

5. *Wooden and masonry bridges.*—The only work done under this head was the masonry bridge over Luckhicoory nala referred to above. The total cubic feet of masonry done thereto was 5,025.

6. We could not do other original works during the year under report for want of funds. The maintenance of over 700 miles of roads takes up almost the whole of our limited grant (Rs. 34,000) given us by Government, which constitutes our entire annual income.

7. *Buildings.*—Dumkah Road Office bungalow and inspection bungalows on roads Nos. 1, 2, 3, 7, 11 and 21 underwent repairs during the year. The bungalows are in fair order. Besides, the staging bungalow at Rajmehal was repaired, and is in very fair order.

8. *Surveys.*—The only surveys made during the year were for preparing relief projects in Jamtara sub-division. The lengths thereof amount to near five miles.

9. The roads borne in the printed statement underwent repairs during the year. The repairs mileage is given below:—

First class roads (repaired)	182 miles.
Second ditto (ditto)	242 do.
Third ditto (ditto)	88 do.
Fourth ditto (ditto)	276 do.

10. *Village roads.*—We have the following village Roads in the district, viz., Benagoriah village roads, Deoghur village roads, and village chord, Dumkah and Rampore Hât road. The total mileage thereof is about 18 miles. They underwent repairs during the year, and are in fair order.

11. *Trees.*—(a) We could plant only about 300 new trees during the year. Want of funds precluded us doing further under this head.

(b) The old trees maintained during the year amounted to about 28,000: they are mostly mangoes. Many of them have borne fruits this season.

(c) Our roadside trees are generally doing well. Many of them have attained good heights, and will, I believe, not require further looking after.

R. H. Renny,
Offg. Deputy Commissioner, Sonthal Pergunnahs.

No. 55P.W., dated Bhagulpore, the 15th June 1889.

From—C. C. STEVENS, Esq., Offg. Commissioner of the Bhagulpore Division and Sonthal Pergunnahs,

To—The Secretary to the Government of Bengal, Public Works Dept.

I HAVE the honour to submit the annual accounts and reports of the District Road Fund of the Sonthal Pergunnahs district for the year ending the 31st March 1889.

2. The Sonthal Pergunnahs is a non-cess district, and the Government annually sanctions a grant-in-aid of Rs. 34,000 for road works.

3. There are 182 miles of metalled, and 556 miles of unmetalled, roads in the district: the former were maintained at a cost of Rs. 8,803 and the latter at Rs. 12,575, making a total of Rs. 21,378 for repairs of roads of all classes. The expenditure on original work was Rs. 2,310, that is, there has been an outlay of 6·2 per cent of the total expenditure of the year on original works and 57·3 per cent on repairs.

4. The only important original works executed during the year were the construction of a masonry bridge over the Luckheecurree stream in the second mile of Dumka-Kampore Hat road No. 2, and the bungalow at Katicund for the Forest Officer. The Deputy Commissioner reports that owing to want of funds no other original works in the district could be undertaken. The maintenance of over 700 miles of road takes up almost the limited grant. The Baisa nala bridge, on the 61st mile of the Bhagulpore-Suri road No. 1, is to be improved in the current year. No other original works will be undertaken.

5. Almost all the roads were repaired and kept in fair order.

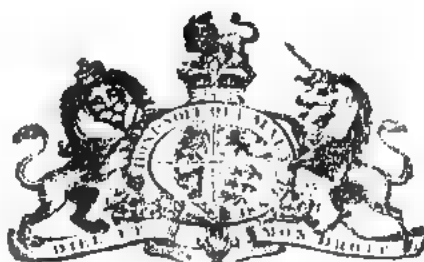

6. There are only four village roads in this district, with a total length of about 18 miles. They were kept in fair order.

7. The buildings in this district, which consist of inspection and staging bungalows, were all repaired, and are reported to be in good condition.

8. Nearly five miles of road in the Jamtara sub-division were surveyed for the purpose of preparing projects for famine relief.

9. About 300 trees were planted out during the year, and of 28,000 trees planted and maintained in previous years, many have borne fruit this season and do not require any further looking after.

10. The expenditure on public works, exclusive of establishment, was Rs. 23,688, and the cost of establishment was Rs. 6,927, or 29·2 per cent. of the outlay on works. The percentage of work establishment is high, but this is due to the expenditure on works being small and to the large area over which the works are scattered. The total cost of establishment is within the limits laid down in the Road Cess Act. The income for the year, exclusive of the balance of the previous year, is Rs. 41,414, one-fourth of which is Rs. 10,353, against an outlay of Rs. 6,927.
